

authentic italian restaurant

### Mamma Rosa's is Kelowna's authentic Italian Restaurant

It was established in 1984 by Rosa & Giacomo Anfuso.

We insist on using only the freshest ingredients of the highest quality, and make our bread and pasta daily. Each individual dish is specially created for you at the time you place your order.

All of our Italian specialties have been developed personally by Mamma Rosa and James incorporating Rosa's personal experiences in Sicily & Genova.

*Buon Appetito!*
